On motion of Trustee Shattuck, seconded by Trustee Raach, the permission was granted and the City Marshal instructed to attend to the care of the flags.

This being the date set for the reception of sealed bids for the improvement of a portion of West Pine Street as undertaken pursuant to Resolution of Intention No. 71 passed April 26th., 1926, and it appearing that due notice thereof had been published and posted as by law required, the Board proceeded to publicly open and declare the bids received. Reports for the month of May from the City Marshal, the Poundmaster and the Plumbing Inspector were submitted, read and ordered filed without comment.

The Clerk read a petition purporting to be signed by 201 registered electors asking that the Board re-submit the proposition to purchase the former Lodi National Bank building to the people at a special election. The petition was referred to the Clerk to verify the signatures and obtain a statement from the Bank directors as to whether they would still extend the offer made last March.

Five building permits for structures to cost in the aggregate \$6,020.00 were granted.

In the matter of the opening of California Street as undertaken pursuant to Resolution of Intention No.481 passed June 15th., 1925: the City Attorney reported that two property owners, Andrew Kutlick and Maria Focacci had refused or neglected to deliver deeds to the portions of their properties necessary for the work contemplated.
